Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Wednesday 16 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry today, some brightness at times.

Today:
Rain across the east dying out this morning. Then many places will be dry with some sunny intervals although some high cloud around. Chance of a light shower across the west. A little cooler than yesterday. Light winds. Maximum temperature 18 deg C (64 deg F).

Tonight:
Mostly dry this evening with some late sunshine. The rest of the night will be dry with clear periods, rather cool in some rural areas. Minimum temperature 7 deg C (45 deg F).

Thursday:
Some bright or sunny intervals and a few showers, but many places will stay dry. Maximum temperature 18 deg C (64 deg F).

Outlook for Friday to Sunday:
Dry and bright on Friday and Saturday. Likely to become more unsettled with the chance of some rain by Sunday. Some chilly nights/.
